Name   NISHANT DHIMAN

Address   Vill.Maned P.O Chetru Teh .Dharamshala Distt Kangra (H.P) Pin Code 176209

E-mail id-   nishantdhiman7426@gmail.com

Contact No- +91 9816749069, +919878704059

Carrier Objective

- To obtain a challenging position in an organization where I can grow and utilize my diversified engineering background, implement the knowledge gained to develop projects with efficiency & quality and to serve total commitment through extreme quality and service.

Technical Skills

- Languages   C, HTML, ASP.NET.

- Database   MS-SQL

- Awareness   Software Engineering, Operating System, Software Project management

Strengths

- Willing to take up Responsibilities, Strong determination to succeed.
- Organized - can prioritize work schedules, manage time effectively and meet deadlines.
- Friendly nature, hard worker & Positive attitude.
- Ability to work in multi-cultural and multi-functional team environment.
- Computer skills with proficiency in word, power point etc.

Qualification

Sr.No	Year	Degree/Exam	University/Board	Percentage /CGPA
1.	2013	B.Tech (Hons.)–M.Tech in Computer Science Engineering	Lovely Professional University, Phagwara(Punjab), India	63.3
2.	2008	Class XII	Thakur Kanshi Ram Memorial Sen. Sec. School (HPBSE), Himachal Pradesh, India	65
3.	2006	Class X	Aadarh Bal Niketan High School (HPBSE) Himachal Pradesh, India	73

Interests & Hobbies

- *Playing Cricket.*
- *Listening music.*
- *Computer Games.*
- *Watching movies.*

Training and Projects

Training: Six week Summer Training in ASP.net in (CS INFOTECH) Chandigarh.

Project: Pass pack.
Technology: ASP.NET with C# and MS SQL Server

Description: It's pretty difficult to hold a multitude of passwords in mind, isn't it? A pin code for your mobile, a password for your mailbox, a pin code for your credit card, a password for your MSN Messenger – we have to remember a variety of different passwords. A PASSPACK is a handy software tool to sort out this problem. Now, you can store all your passwords in one secure place, which is protected with a strong encryption algorithm. Your mess and anxiety about passwords are over – a PASSPACK program will give them only to you at your first wish.

Project: Airline Reservation System project at Lovely Professional University

Technology: VB.NET and MS Access

Description: Airline Reservation System software provides options for viewing different flights available with different timings for a particular date and provides passenger with the facility to book a ticket, modify or cancel a particular reservation. It provides the customers with details of cost of the ticket and allows the passenger to modify a particular part of his reservation and passenger can modify all his details.

Dissertation:

Completed with Dissertation entitled, **"Clustering of data for multigroup using ID3 algorithm and CMean algorithm"** submitted for the M.Tech. Degree from Lovely Professional University, Jalandhar (Punjab), India.

Description: Data mining is the useful tool to discovering the knowledge from large database. For this we require proper classification methods & algorithms. In this we are talking about the soil erection problem which can be removed with the help of proper clustering. C MEAN algorithm is one of the best techniques we have ever seen in data mining over a cluster but the problem with C MEAN is that, it lacks when you either use a very big data set or a small dataset. Hence in our research work, we will be implementing the ID3 ALGORITHM and will the check the accuracy terms with the C MEAN algorithm. Now our problem is to create a new group to check out whether the implemented algorithms can make any change in the accuracy if we increase the privacy level or not. The result of research tells us about the soil belongs to a fertilizing group.

Tool: MATLAB R2010a

Personal Details

- Father's Name   -   S.K. Dhiman
- Mother's name   -   Asha Dhiman
- Date of Birth   -   16/06/1991
- Marital Status   -   Single
- Nationality   -   Indian
- Permanent Address -   Vill. Maned, P.O Chetru, Teh. Dharmshala,
                                    Distt. Kangra (H.P.) Pin code 176209

Extra-Curricular Activities

- Language known – English, Hindi and Punjabi.
- International conference attended "Turing 100" in 2012 with certification at Lovely Professional University.
- Participated in cultural activities.
- Passport- No

I hereby declare that all the information furnished is true to the best of my knowledge and belief.
